- Atrium/elevator/outdoor space were briefly reviewed.
- Altar area remodel was discussed. Riser alterations will be done.
- Council accepted the resignation of Jeff Nelson, effective December 2025. Appreciation was expressed for all Jeff has contributed to the community of faith during his tenure. This resignation allows Council to now have 13 seats; one seat away from the goal of 12.
- Upcoming Annual Meeting was discussed, along with the reorganization of the new Council which will take place immediately following the Annual Meeting. The Annual Meeting will be held on Sunday, December 7.
- As a result of recently discovered responsibilities that accompany holding the charter for a Scouting group, Council decided it was in the community's best interest to no longer serve as the chartering organization for the Scouts. This alleviates our legal and financial responsibility for the troops.
- Continued discussion of additional staffing positions.
